REQUEST FOR RECONSIDERATION OF MATERIALS

According to the North Platte Public Library's Standard Operating Procedures: "Any objections about particular books or their content should be submitted in writing to the Library Director." If the Library Director cannot resolve the situation, the Library Advisory Board will review the material. If the Board cannot come to a decision regarding the material, the City Administrator shall hear the personal complaint by the patron with the Library Director present. Decisions by the City Administrator will be final.
