**History of the Nebraska State Fair by Jim McKee**  
 12:00 PM, Thursday, August 9

Before Nebraska was even a state there was a Nebraska Territorial Fair. This program shows the development of the Nebraska fair from territorial days through the Omaha-based 1898 Trans-Mississippi Exposition, and the various cities which hosted the event before its “permanent” move to Lincoln and ends as the state fair moved to Grand Island.

All noon programs are free and open to the public. Attendees are welcome to bring their lunches. Coffee, tea and water will be provided. Help the library plan seating by calling 535-8036, Ext. 3310 to reserve a seat.

**Annie Cook**

Five years ago, the 2013 Cemetery Tour was called “The Evil Obsession Tour.” We heard from many people that we needed to repeat and enhance this tour with MORE ghosts.

This tour will feature fifteen living history presentations by North Platte area actors. Walkers should allow 2 1/2 to 3 hours to see everyone. The ghosts on this year's tour will be Annie's Family members, North Platte gangsters, prostitutes, businessmen, and townspeople who all interacted with Annie.
