Get Training and Get Creating!

The Library Creation Station is Open For Training and Use!

Our library is excited to share this equipment with our community during our grant period. Below are the basic rules; more information is posted outside the Creation Station room and by each piece of equipment.

Stop in the library to learn more about our station.

- ◆ Anyone wanting to use the Station devices must watch a Safety Video and receive training on each device they want to use. Each device also has age limits for unsupervised and supervised use.
- ◆ No children under the age of 8 can be in the Creation Station.
- ◆ Training is done by scheduling a time or taking a class, such as the cookie cutter class.
- ◆ Certified trained people can schedule times on equipment. Call 308-535-8036, option #3 to reserve your time. Adults that are certified for unsupervised use must be present when people, trained and certified for supervised use, operate equipment.
