- If your child does not have proper bus fare or a ticket, they will not be able to ride the bus
- North Platte Public Transit will cancel transportation after 3 consecutive "NO SHOWS"
- 24 hour advance notice to set up rides
- Bullying and uncooperative behavior will result in removal of your child from the schedule

I have read, understand, and agree to all terms and conditions.

Signature & Date: _____

Advance Reservations are requested to allow for your student to get their needed pickup time!

Youth Transportation

No child will be transported unless an Emergency Contact Form is on file at NPPT. This applies to all children riding the bus, regardless of the number of times a child will be riding. This form is for your child's safety.

No rides can be charged. If your child does not have correct change (our drivers do not carry change) or a bus ticket, they will not be able to ride the bus. Bus tickets can be purchased over the phone with a debit card, by calling the transit office (\$18).

It is your responsibility to contact us regarding changes in your child's schedule. For safety reasons, we cannot take information regarding transportation changes from your child or daycare.

During morning pickup, it's a tight schedule and the longest we will wait for the student is 3 minutes. They need to be watching out the window for us starting at 7am. We might not be there right at 7am but they need to be watching and looking.

Buses will arrive at the schools at dismissal time and depart approximately seven minutes later. Rides required after the bus departs will cost an additional fare.

Routes are determined by first come first serve and according to school times.

NO Bullying Allowed

Poor conduct, including bullying and foul language, will not be tolerated and could result in being banned from riding the bus. A child's bus ride should be a positive experience and negative behaviors jeopardize everyone's safety.
