Availability of the agenda was communicated in the advance notice and in the notice to the Chairman and members of the Board. All proceedings thereafter shown were taken while the convened meeting was open to the attendance of the public.

3. Public Hearing. File No. BA22-001 Discuss and consider action on an application by Hall Rentals, LLC for a variance to North Platte City Code of Ordinances Section 156.199(B) Side yard. No side yard setback is required, but if a side yard setback is provided, it must be no less than 5 feet and Section 156.199(C) Rear yard. No rear yard is required, except for a lot abutting an A or R District, where the rear yard shall be 30 feet. The applicant is proposing a 4.6 foot side yard setback and a 14.8 foot rear yard setback. The property is located in a B-2 Highway Commercial District located at 2221 East 4th Street and is described as Lot 1, Sculley Replat, North Platte, Lincoln County, Nebraska.

Chair Wilke opened the public hearing.

Judy stated that the applicant is proposing a 4.6 foot side yard setback and a 14.8 foot rear yard setback. The applicant is proposing to install a roof over the currently existing structure for cold storage. The location of the current fencing/structure will not be moved, it is in place with a 4.6' side yard setback and a 14.8 foot rear yard setback. Planning Staff has reviewed the site plan and general characteristics of the area. Adding a roof to the existing structure will not create any additional increase in the non-conformity. Granting the variance would not cause a detriment to surrounding property owners.

Pedersen moved and Stefka seconded the motion to close the public hearing. Roll call vote: "Aye": Wilke, McGahan, Patterson, Stefka, Pedersen. "Nay": None. Absent: Backenstose. Motion carried.

McGahan moved and Pedersen seconded the motion to find that the application for a variance to the North Platte City Code of Ordinances Section 156.199(B) Side yard. No side yard setback is required, but if a side yard setback is provided, it must be no less than 5 feet and Section 156.199(C) Rear yard. No rear yard is required, except for a lot abutting an A or R District, where the rear yard shall be 30 feet to allow 4.6 foot side yard setback and a 14.8 foot rear yard setback be approved and granted forthwith because the strict application of any enacted regulation would result in peculiar and exceptional practical difficulties to, or exceptional and undue hardship upon the owner of such property, and such relief may be granted without substantial detriment to the public good and without substantially impairing the intent and purpose of any ordinance or resolution and the applicant does conform with the following five findings necessary for the board to grant the variance.

- a. The strict application of the zoning regulation would produce undue hardship,
- b. Such hardship is not shared generally by other properties in the same zoning district and the same vicinity,

- c. The authorization of such variance will not be of substantial detriment to adjacent property and the character of the district will not be changed by the granting of the variance,
- d. The granting of such variance is based upon reason of demonstrable and exceptional hardship as distinguished from variance for purposes of convenience, profit or caprice.
- e. The board finds that the condition or situation of the property concerned or the intended use of the property is not of so general or recurring a nature as to make reasonably practicable the formulation of a general regulation to be adopted as an amendment to the zoning regulation.

Roll call vote: "Aye": Wilke, McGahan, Patterson, Stefka, Pedersen. "Nay": None. Absent: Backenstose.
Motion carried.

- 4. Old Business. There was no old business to be discussed.
- 5. New Business. There was no new business to be discussed.
- 6. Adjourn. Chair Wilke adjourned the meeting at 8:38 a.m.
